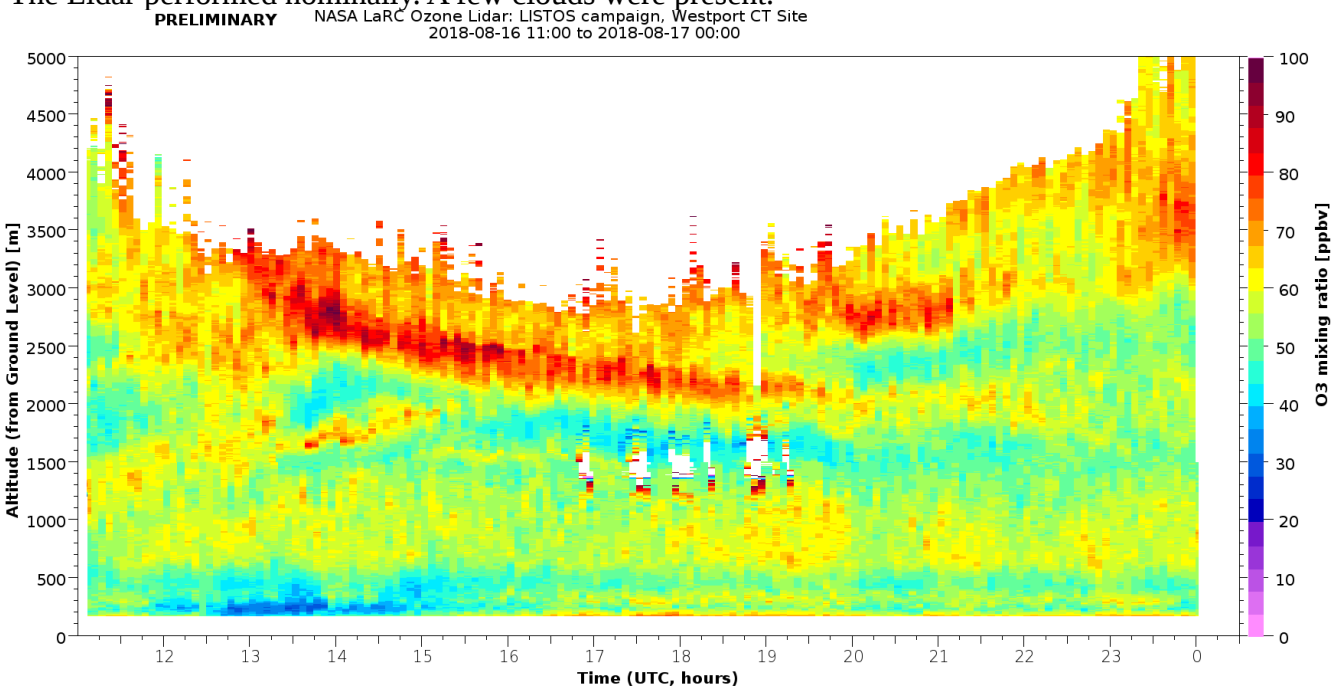
For LISTOS campaign, 2018-08-16

Westport, CT site [Lat,Lon: 41.1183, -73.3367 deg.]

Principal Investigator: Timothy Berkoff 757-864-3684 timothy.a.berkoff@nasa.gov
Data Manager: Guillaume Gronoff 757-864-5693 guillaume.p.gronoff@nasa.gov
Additional team members: William Carrion, Joseph Sparrow

WARNING: This lidar curtain is a provisional quick-look result, and can contain errors.
Please consult the NASA PI or Data Manager before use of this image.
Quality assured images and data can be made available upon request if they are not immediately available in the NASA LISTOS data archive under the Westport tab.

LMOL / Lidar


The Lidar performed nominally. A few clouds were present.
